

DOWN DIRTY 84 LLC

Standalone ECU Remote Tuning Agreement

This Standalone ECU Remote Tuning Agreement ("Agreement") is entered into between Down Dirty 84 LLC ("Tuner") and the purchasing customer ("Client"). By purchasing or engaging in tuning services, Client agrees to all terms below.

1. Scope of Service

Remote calibration review, data-log analysis, and tune file adjustments for standalone engine management systems including Holley EFI, Haltech, and MaxxECU. Services are performed remotely based on files and data provided by the Client.

2. Client Responsibilities

- Provide accurate vehicle, engine, ECU, and modification information.
- Verify mechanical condition, base timing, fuel pressure, and sensor functionality.
- Supply clean data logs and ECU map exports as requested.
- Disclose all aftermarket or non-standard components.

3. No-Start / Rescue Services

No-start or unstable vehicle services are limited to achieving a safe baseline configuration. Additional tuning beyond stabilization may require separate services or fees.

4. Revisions & Turnaround

Typical turnaround time is 24–72 business hours per revision. Excessive revisions caused by mechanical issues, configuration errors, or undisclosed modifications may incur additional charges.

5. Payments & Refunds

All services are prepaid. Payments are non-refundable once analysis or tuning work has begun.

6. Assumption of Risk

Client acknowledges that performance tuning carries inherent risks including engine, drivetrain, or component damage. Client assumes all associated risks.

7. Limitation of Liability

Down Dirty 84 LLC shall not be liable for mechanical failure, vehicle damage, downtime, loss of use, or consequential damages resulting from tuning services.

8. No Warranty

No warranty, express or implied, is provided regarding performance gains, reliability, or emissions compliance.

9. Right to Refuse Service

Down Dirty 84 LLC reserves the right to refuse or terminate service if unsafe conditions, misrepresentation, or non-compliance are identified.

10. Governing Law

This Agreement shall be governed by the laws of the State of Georgia.

Client Acknowledgment

By purchasing or engaging in standalone ECU remote tuning services, Client confirms they have read, understood, and agreed to this Agreement.
